Mr. [redacted]

Dear Mr. [redacted]:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the BSA seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

CONFIDENTIAL MEMO FOR FILES

SUBJECT: Confidential investigation of Scoutmaster [redacted],
sponsored by the [redacted] in [redacted]

On July 28, 1981, [redacted], the District Chairman of the South Bay District, and I met with [redacted]. [redacted] is a former member of [redacted], sponsored by the [redacted]. At that time the Scoutmaster was [redacted]. His Assistant Scoutmaster was [redacted]. In followup from several inquiries from parents, [redacted] found out that the Scoutmaster [redacted] had made advances to several of the boys on camping trips. [redacted] confronted [redacted] with this information, the result being that [redacted] moved from the Scoutmastership in [redacted] to form his own new [redacted], sponsored by the [redacted] in [redacted]. This action occurred in approximately [redacted] of [redacted]. [redacted] called the council office to reveal the information he had to date. This information was shared with Ted Hanley, and Ted had a discussion with [redacted] and with [redacted] the District Commissioner of the South Bay District.

In conversation with [redacted] at his home in [redacted] the following statements were made by [redacted]: [redacted] indicated that he had been a member of [redacted] in [redacted] approximately 3 years ago. On a campout trip [redacted] invited [redacted] to share his tent with him. At nighttime as they were getting ready for bed [redacted] was in a playful mood and was shoving and grabbing, etc. This progressed to one point where [redacted] put his hand inside [redacted] sleeping bag. [redacted] relates at this point he was beginning to get worried, scared and to realize that something was wrong, and that he yelled in a loud voice "stop it, you faggot". The Scoutmaster, [redacted] then exposed himself to [redacted]. Although no further incidents happened that night, the next night [redacted] was not invited to share the tent again with [redacted].

[redacted] indicated that on numerous occasions [redacted] had been very reckless in driving while boys were in the truck, in speeds of 90 to 100 miles per hour on the freeway. [redacted] stated that [redacted] gets along well with the younger boys, but the boys over 12 hate him.

[redacted] related an incident involving the troop when 10 Scouts in [redacted] truck drove to a Merit Badge Day held at [redacted]. Three of the boys, [redacted], [redacted], and [redacted] were abandoned at the site by [redacted]. All three were standing by the truck as [redacted] prepared to leave and were told that he was not happy with their performance at the Merit Badge Day, and drove off without them. [redacted] was forced to call his Dad so that they could provide transportation back to their homes.

[redacted] indicated that it was widespread knowledge among the older boys in the troop that [redacted] made advances to several of the boys. His pattern was always to invite the boy to share his tent with him.

[redacted] told of another incident related to him by one of the Scouts on a trip, that he, [redacted], had not attended. Five of the best Scouts in the troop selected by [redacted], were invited on a trip to Wyoming, Las Vegas and Canada. It was a two-week trip. [redacted], a Scout in the troop, woke up one night to find [redacted] hand in his sleeping bag.

CONF009263

DYKES_I_007132

He talked about another troop state-wide trip to Las Vegas, where . . . pulled a camper behind his truck, and three of the boys were locked out of their camper until 3 a.m. in the morning because . . . had gone into town and left the boys by themselves.

. . . stated it was common knowledge among the older boys and the Scouts that there has been several advances made on camping trips. In one case a boy was invited to go to a movie with . . .

Following our interview with . . . Fra. . . and I discussed the matter and decided that our procedure should be to submit a letter signed by the Scout Executive requesting that . . . not continue his registered leadership status with the Boy Scouts of America. We agreed that we would deliver this letter asking . . . to join us at the first available date. I indicated to . . . that our recommended procedures suggest that such a letter should be hand delivered but that no accusations should be made whatsoever.
